What is a Ride-A-Thon?

The LoveWay Ride-A-Thon is a great opportunity for you to take your horse out for a scenic 10 mile trail ride through the woods, hills, fields, optional water crossing, and beautiful countryside. Make friends, spend time with your family, and have lots of fun, all while supporting our great organization. All money raised from the Ride-A-Thon goes directly towards partnering special needs individuals in Elkhart County with a horse to receive therapeutic benefits. Your support allows this to happen without the worry of financial burden to our riders families. Thank you for partnering with us! You are very much a part of their lives too!

Thank you to the Riegsecker family for the use of their land to ride!
