# Ride A Thon

## Saturday, Sept. 26, 2020

Make a difference in the life of a child with special needs!

Dear Friend of *LoveWay*,

LoveWay Inc. offers the only therapeutic equestrian experience for children with special needs in Elkhart County.

In support of our mission, we invite you and your horse for a scenic 9-mile trail ride through the woods, hills, fields, optional water crossing, and beautiful countryside. All proceeds help a child with special needs benefit from our unique therapeutic equestrian services.

Much about Ride-A-Thon has changed this year as a result of COVID-19, but we are working hard to ensure you will have the same great experience.

We've replaced our pancake breakfast with a safer continental option, and we're asking all participants to register online to avoid lines at check-in (but don't worry, we can help register you ahead of the event if you stop in our office during regular business hours).

Despite these changes, one thing about Ride-A-Thon will always remain the same: You are helping to make a difference in the life of a child with special needs.

Happy Trails!

The *LoveWay* Staff
